

## Moriond Cosmology 2024 abstract

moriond@in2p3.fr <moriond@in2p3.fr>

Qua, 07/02/2024 01:55

Para:Paula Silva Ferreira <psfer@pos.if.ufrj.br>

Dear Paula Ferreira  
the organizing committee has made a first selection  
of the abstracts proposed for the next Rencontres de  
Moriond on Cosmology  
(there were more than twice as many abstracts as time  
slots available!!).  
Your abstract  
Angular Correlation Function from sample covariance with BOSS and eBOSS LRG

could only be selected as a poster for the moment.  
We are sorry that we cannot offer more than this.  
A second round of selection will take place by the  
end of the week and we may promote a few posters as talks.  
Can you please confirm (to moriond@in2p3.fr) that you still want to attend.  
Concerning the request by the hotel of a deposit of at least 30%  
by February 10th, this can be quietly done next week.

looking forward to seeing you in La Thuile,  
Jacques Dumarchez  
for the organizing committee
