Dear Paula Ferreira

the organization of the Rencontres de Moriond has decided to select you for a grant allocation in order to help your participation to the EW conference.

It will cover your living expenses on the basis of the shared room rate (which we will pay directly to the Hotel). It means that if you stay in a single room you will have to pay the "single supplement".

The registration fees should also be paid.

Let us also remind you that attendance is for the whole week.

looking forward to seeing you in La Thuile,  
Jacques Dumarchez
